

## Transamerica earns 100 percent on Human Rights Campaign Foundation's 16th annual scorecard on LGBTQ workplace equality

### **FOR IMMEDIATE RELEASE**

BALTIMORE – November 9, 2017

Transamerica received a perfect score of 100 percent on the 2018 Corporate Equality Index (CEI), a national benchmarking survey and report on corporate policies and practices related to lesbian, gay, bisexual, transgender and queer (LGBTQ) workplace equality, administered by the Human Rights Campaign Foundation.

"I'm thrilled to work for a company that places such importance on workplace equality," said Julie Tschida Brown, Transamerica's chief human resources officer. "Achieving a perfect score on the CEI is an honor and it illustrates Transamerica's continued commitment to its diversity and inclusion endeavors."

The 2018 CEI rated 947 businesses in the report, which evaluates LGBTQ-related policies and practices including non-discrimination workplace protections, domestic partner benefits, transgender-inclusive health care benefits, competency programs and public engagement with the LGBTQ community. Transamerica's efforts in satisfying all of the CEI's criteria resulted in the 100 percent ranking and the designation as a Best Place to Work for LGBTQ Equality.
