

# AEGON TRANSAMERICA FOUNDATION LOCAL IMPACT REPORT

Harrison, NY, 2022

## About the Foundation

Our promise to help people live their best lives extends beyond our corporate walls. Since 1994, the Aegon Transamerica Foundation has supported the communities where we live and work through financial grants and the volunteer commitment of our employees.

## Message from the Harrison Committee

The Harrison Advisory Committee of the Aegon Transamerica Foundation is committed to providing support to many organizations within the tri-state area (NY, CT, and NJ). While we have maintained our long-time commitment to larger organizations like the American Cancer Society, it has always been our goal to also focus on the needs of smaller organizations that too often do not get the support and recognition they deserve. Each year, we strive to aid new organizations and to broaden our reach within our community.

In 2022, local food banks saw an enormous increase in need. Feeding Westchester alone distributed over 1.5 million meals a month due to the volume of residents at risk for food insecurity in Westchester County. In response to this outsized need, the Harrison Advisory Committee did our part by providing significant donations to six local food banks.

In 2023 and beyond, we will continue to support the local organizations helping to create a brighter and more secure future for our community.
