

AEGON TRANSAMERICA FOUNDATION LOCAL IMPACT REPORT

St. Paul, MN, 2022

About the Foundation

Our promise to help people live their best lives extends beyond our corporate walls. Since 1994, the Aegon Transamerica Foundation has supported the communities where we live and work through financial grants and the volunteer commitment of our employees.

Message from the St. Paul Committee

The St. Paul Advisory Committee of the Aegon Transamerica Foundation is proud to contribute to nonprofit organizations in Minneapolis and St. Paul helping to strengthen our community.

Our charitable giving is directed toward organizations engaged in uplifting all our neighbors—providing support to individuals with disabilities, women, young people, and the BIPOC community. With an understanding of how every dollar will be spent, our giving is focused on aiding organizations that can have a direct positive impact on the people who need it most. In addition, we concentrate on donating to nonprofits that our fellow Transamerica employees feel passionately about, with many of our colleagues generously donating their time to organizations we support.

With the COVID-19 pandemic and the civil unrest of 2020 behind us, the importance of working toward a brighter future for everyone is as clear as ever. In 2023 and beyond, we will continue to step up and do our part.
