

AEGON TRANSAMERICA FOUNDATION LOCAL IMPACT REPORT

St. Petersburg, FL, 2022

About the Foundation

Our promise to help people live their best lives extends beyond our corporate walls. Since 1994, the Aegon Transamerica Foundation has supported the communities where we live and work through financial grants and the volunteer commitment of our employees.

Message from the St. Petersburg Committee

The St. Petersburg Advisory Committee of the Aegon Transamerica Foundation is proud to support nonprofits in Pinellas County working to creating a brighter and more secure future for all of us. We provide contributions to a wide array of organizations working to uplift our neighbors in need, especially the youngest members of our community.

In 2022, we focused on the following areas with our charitable giving: health and human services, education and financial literacy, civic and community, inclusion and diversity, and arts and culture. In addition to our committee's annual giving, the Aegon Transamerica Foundation stepped up with a \$75,000 emergency donation to the American Red Cross, which helped provide food, shelter, and comfort after Hurricane Ian caused devastation across our state.

Alongside our financial assistance, Transamerica employees in St. Petersburg have generously donated their time to many of the nonprofits we support. In 2023 and beyond, we will continue to support local organizations that have a lasting positive impact in our community.
