

## 2023 Local Impact Report

# CANTON MASSACHUSETTS

# \$125,000

## Total Local Impact in 2023

### About the Foundation

For more than 30 years, the Aegon Transamerica Foundation has proudly supported nonprofit organizations that help build stronger, more resilient communities in the places where Transamerica employees live and work. By investing in initiatives that empower individuals and families, the Foundation is committed to making an enduring positive impact where it matters most—in the lives of those seeking to build brighter futures.

### Message from the Canton Committee

The Canton Advisory Committee of the Aegon Transamerica Foundation is deeply appreciative of the organizations in our community that are committed to uplifting our neighbors in need.

Through our charitable giving, we seek to provide aid where it is needed most. In 2023, we were proud to support numerous nonprofits covering a wide spectrum of causes, such as affordable housing, health care, education, homelessness, mental health, veteran care, and more.

In addition to financial support from the Foundation, Transamerica employees in Massachusetts have generously donated their time to many of the nonprofits we support. In 2024 and beyond, we will continue to do our part to support the local organizations in our community working tirelessly to create a brighter and more secure future for our family, friends, and all Bay Staters.

# AEGON TRANSAMERICA FOUNDATION: WHO WE SUPPORT

We support nonprofits in Massachusetts through a combination of financial grants and the volunteer commitment of Transamerica employees. In 2023, we contributed to the following organizations working to better our community:
