About the Foundation

For more than 30 years, the Aegon Transamerica Foundation has proudly supported nonprofit organizations that help build stronger, more resilient communities in the places where Transamerica employees live and work. By investing in initiatives that empower individuals and families, the Foundation is committed to making an enduring positive impact where it matters most—in the lives of those seeking to build brighter futures.

Message from the Plano Committee

The Plano Advisory Committee of the Aegon Transamerica Foundation is honored to help expand opportunities and capabilities for everyone by giving back to nonprofits throughout Collin, Dallas and Tarrant counties.

In 2023, we contributed to 20 organizations helping to uplift our community in a variety of ways. In addition to financial support from the Foundation, Transamerica employees in Plano have generously donated their time to many of the organizations we support.

From alleviating food insecurity to helping children and young adults thrive, the Plano Advisory Committee gives to a diverse range of programs making a meaningful and lasting difference in people's lives. As we move forward into 2024 and beyond, we will continue to advocate for causes that support our neighbors in need.
