About the Foundation

For more than 30 years, the Aegon Transamerica Foundation has proudly supported nonprofit organizations that help build stronger, more resilient communities in the places where Transamerica employees live and work. By investing in initiatives that empower individuals and families, the Foundation is committed to making an enduring positive impact where it matters most—in the lives of those seeking to build brighter futures.

Message from the St. Paul Committee

The St. Paul Advisory Committee of the Aegon Transamerica Foundation is proud to contribute to nonprofit organizations in Minneapolis and St. Paul helping to strengthen our community.

Our charitable giving is directed toward organizations engaged in uplifting all our neighbors—providing support to individuals with disabilities, women, young people, and the BIPOC community. Our giving is focused on aiding organizations that can have a direct positive impact on the people who need it most. In addition to financial contributions from the Foundation, many of our colleagues at Transamerica generously donate their time to organizations we support.

The importance of making a meaningful difference in the lives of our fellow Minnesotans is as clear as ever. As we move forward into 2024 and beyond, we will continue to step up and do our part to be a force for good in our community.
