### About the Foundation

For more than 30 years, the Aegon Transamerica Foundation has proudly supported nonprofit organizations that help build stronger, more resilient communities in the places where Transamerica employees live and work. By investing in initiatives that empower individuals and families, the Foundation is committed to making an enduring positive impact where it matters most—in the lives of those seeking to build brighter futures.

### Message from the St. Petersburg Committee

The St. Petersburg Advisory Committee of the Aegon Transamerica Foundation is proud to continue our support for nonprofits in Pinellas County working to create a brighter and more secure future for all. We provide contributions to a wide array of organizations working to uplift our neighbors in need, especially the youngest members of our community.

In 2023, our charitable giving focused on the following areas: health and human services, education and financial literacy, civic and community, inclusion and diversity, and arts and culture.

Alongside our financial assistance, Transamerica employees in St. Petersburg have generously donated their time to many of the nonprofits we support. In 2024 and beyond, we will continue to support local organizations that have a lasting positive impact in our community.

# AEGON TRANSAMERICA FOUNDATION: WHO WE SUPPORT

We support nonprofits in Pinellas County through a combination of financial grants and the volunteer commitment of Transamerica employees. In 2023, we contributed to the following organizations working to better our community:
