14 Describe the organizational action and, if applicable, the date of the action or the date against which shareholders' ownership is measured for the action ▶ Transamerica Inflation-Protected Securities made cash distributions to shareholders of record during calendar year 2023. The fund determined that a portion of each distribution constitutes a non-taxable return of capital. See the attached schedule for dates and amounts of each distribution that includes a return of capital.

15 Describe the quantitative effect of the organizational action on the basis of the security in the hands of a U.S. taxpayer as an adjustment per share or as a percentage of old basis ▶ Each shareholder's tax basis in the shares held in the fund is reduced by the amounts of return of capital received. See the attached schedule for each distribution that includes a return of capital.

16 Describe the calculation of the change in basis and the data that supports the calculation, such as the market values of securities and the valuation dates ▶ The tax basis of each shareholder's shares is decreased by the per share amount of return of capital, on the attached schedule, multiplied by the number of shares the shareholder owns. If the amount of the return of capital is greater than the shareholder's tax basis, the excess shall be treated as a taxable capital gains.
