

FOR IMMEDIATE RELEASE

BALTIMORE – January 25, 2022

Nicole Malachowski is the 2022 Keynote Speaker at TFA Exchange

Transamerica Financial Advisors, Inc. (TFA) hosts TFA Exchange, which occurs January 26 and January 27, 2022, where up to 800 TFA registered representatives or investment advisor representatives will attend. This event is an opportunity for new and existing representatives to learn about new products and services and improve their leadership skills.

The meeting opens with keynote speaker Nicole Malachowski. She is a 21-year United States Air Force veteran (Colonel, retired) and the first woman to fly as part of the USAF Air Demonstration Squadron, better known as the Thunderbirds. She will share her significant experience and outstanding leadership expertise with attendees.

Malachowski has successfully forged a path through some immense cultural changes within the military and significant adversity in her personal and professional life. She offers an inspiring story of the power of determination and the drive of a truly indomitable spirit.

“The TFA Exchange event is focused on bringing together TFA representatives from across the U.S. to connect and learn from each other,” said George Chuang, President of TFA. “Additionally, we want to inspire our advisors and teach them they can scale their business beyond themselves to a growing business concern. Bringing in Nicole Malachowski as keynote speaker will inspire our representatives, and the lessons she imparts can benefit all TFA representatives, their teams, and the entire organization.”

About Transamerica

With a history that dates back more than 100 years, Transamerica is recognized as a leading provider of life insurance, retirement and investment solutions, serving millions of customers throughout the United States.
